Chapter 1 by Mason Lee

(chorus)

I'm stronger than a lion
Bigger than a mountain
More powerful
than you'll ever know
I'm rising like the sun
I'm beating like a drum
I am, I am oh I am!

Chapter 2 by Parkour_Ninja

I'll live the life I want to live
I'll be the one I want to be
My heart will forever be active
You can't take nor will I give
Don't worry for me, though I won't flee

Chapter 3 by Fanwizard

I'll smile, the worst is yet to come
We'll be lucky if we ever see the sun
Got nowhere to go, we could be here for a while

But the future is forgiven, so smile

Chapter 4 by Fanwizard

I love it when you just don't care
I love it when you dance like there's nobody there
So when it gets hard, don't be afraid
We don't care what them people say
I love it when you don't take no
I love it when you do what you want cause you just said so
Let them all go home, we out late
We don't care what them people say
We don't have to be ordinary
Make your best mistakes
'Cause we don't have the time to be sorry
So baby be the life of the party
I'm telling you to take your shot it might be scary
Hearts are gonna break
'Cause we don't have the time to be sorry
So baby be the life of the party

Chapter 5 by Fanwizard

First you say you love me then you say you don't
I wake up in the morning and I'm all alone
Told me that you're willing then you say you won't
Can you make your mind up, please, I'm losing my patience
You know I'm losing my patience, yeah

I'm in your room, it's just us two
I feel you getting closer

You rest your head upon my chest
Yeah

Deep down I know that I'm
The last time I come over
You always leave me such a mess

Ooh, you give me a little taste
Love me in then you take it from me
Oh, I hate that, I love it cause you're driving me crazy

Chapter 6 by Fanwizard

Say it's not too close to here
Tell them not to waste my time
But this was never up to me
But if it was I wouldn't mind

An I'm trying to ignore you
And try to go on with my day
But I still pick up the phone yeah
And get lost in what you say

I can try to stop it
All I like
Hands down I've lost this fight
And I thought I was strong
Enough for you
But I can't just hide the truth
I guess I'm going down (2x)

And I love it how she's honest
You don't find that nowadays
She's not even drop dead gorgeous
But she kills me anyway

I can try to stop it
All I like

Hands down I've lost this fight
And I thought I was strong
Enough for you
But I can't just hide the truth
I guess I'm going down

So I guess im going down
I guess I'm going down ohh
I guess I'm going down

Chapter 7 by Fanwizard

Fighting flames of fire
Hang onto burning wires
We don't care anymore
Are we fading lovers?
We keep wasting colors
Maybe we should let this go

We're falling apart, still we hold together
We've passed the end, so we chase forever
'Cause this is all we know
This feeling's all we know
I'll ride my bike up to the world
Down the streets right through the city
I'll go everywhere you go
From Chicago to the coast

You tell me, "I lit this and let's go

Blow the smoke right through the

'Cause this is all we know

'Cause this is all we know

'Cause this is all we know

'Cause this is all we know

Never face each other

One but different covers

We don't care anymore

Two hearts still beating

On with different rhythms

Maybe we should let this go

We're falling apart, still we hold together

We've passed the end, so we chase forever

'Cause this is all we know

This feeling's all we know

I'll ride my bike up to the world

Down the streets right through the city

I'll go everywhere you go

From Chicago to the coast

You tell me, "Hit this and let's go

Blow the smoke right through the window"

'Cause this is all we know

'Cause this is all we know

'Cause this is all we know

'Cause this is all we know

Chapter 8 by FangirlBasics

They send me away to find them a fortune

A chest filled with diamonds and gold

The house was awake, the shadows and monsters

The hallways, they echoed and groaned

I sat alone in bed till the morning

I'm crying, "They're coming for me

And I tried to hold these s

My mind's like a deadly disease

I'm bigger than my body
I'm colder than this home
I'm meaner than my demons
I'm bigger than these bones

And all the kids cried out, "Please stop, you're scaring me"
I can't help this awful energy
God damn right, you should be scared of me
Who is in control?

I paced around for hours on empty
I jumped at the slightest of sounds
And I couldn't stand the person inside me
I turned all the mirrors around

I'm bigger than my body
I'm colder than this home
I'm meaner than my demons
I'm bigger than these bones

And all the kids cried out, "Please stop, you're scaring me"
I can't help this awful energy
God damn right, you should be scared of me
Who is in control?

I'm well acquainted with villains that live in my head
They beg me to write them so they'll never die when I'm dead
And I've grown familiar with villains that live in my head
They beg me to write them so I'll never die when I'm dead

I'm bigger than my body

I'm colder than this home
I'm meaner than my demons
I'm bigger than these bones
